OCCUPATIONAL SAFETY AND HEALTH POLICY

“ZERO ACCIDENT BY SAFETY FIRST”

1. We are committed to provide a safe and healthy working environment to all persons working in our premises.
2. In line with our commitment, it is the responsibility of every member of the company to conduct oneself in a manner consistent with the safety objective “ZERO ACCIDENT”.
3. It is the management's responsibility therefore to :-
 - a. Ensure a safe and healthy working condition taking into account all safety and health laws and regulations.
 - b. Provide training and instruction to enable employees to perform their work safely.
 - c. Ensure that each Manager is held accountable for maintaining continuous interest and meeting the safety objectives that have been set.
4. It is also the responsibility of all employees to fully cooperate in the implementation of this policy by :-
 - a. Working safely and efficiently.
 - b. Using the protective equipment provided. Adhering to company rules and procedure for securing a safe system of work.
 - c. Reporting any abnormal occurrences that have led or may lead to injuries or accident.
5. Nevertheless, we shall ensure that “SAFETY FIRST” is the fundamental aspect in all our operations in order to achieve our safety goal.
